

CSU Alumni Links In Action (CALA)

Clayton State University plans to enhance the connection to its graduates, and setup mentoring between students and alumni. After several meetings with the public department, the following specific requirements are first proposed.

1. The public department would like to generate the following reports:
 - a. A report that displays alumni profile for a specified area for a particular year (e.g., 2010 information Technology). The report should list, for the specified area and year of graduation, each alumnus's name, e-mail address, the degree earned(eg. BS, MBA, etc.), work phone number, and home phone number, and LinkedIn.
 - b. A report listing all donors who have donated a total amount, the date and amount of each donation. The report will be sorted in descending order of the total donated amount.
 - c. A report listing all alumni working for a particular company (e.g., Norfolk Southern). This report must also display the date an individual joined the company, as well as, their job title, and salary range.
 - d. A report that displays the employment history for a particular alumnus. The report must show, for each employer that alumnus has worked for, the employer name, the most recent job title the alumnus had with that employer company (e.g.,VP, Software Engineer, etc), the date the alumnus joined the company, and the date the alumnus left the company (if applicable).
 - e. A report that displays mentoring opportunities by area
2. CSU student will be able to log in and search CALA by major, year, company name, and graduates' name
3. CSU student will be able to search for mentors of the areas of interests
4. CSU student will be able to send message(s) to the Graduates to ask for mentoring, once it's approved, then the relationship of mentoring is started
5. An alumnus of CSU would be able to log in the system and update his/her profile and employment records
6. An alumnus could set up mentoring opportunities of specific area/field of his/her expertise
7. An alumnus could also donate to funds specified by the CSU Public department
8. The CALA will send monthly Laker connection to alumni who subscribe
9. Alumni should also receive invitations to special events such as annual gathering, tailgate etc.
